COOKIES & COOKIEPOLICY DORNE INTERNATIONAL B.V.

Our website [www.fequartz.nl](http://www.fequartz.nl) uses cookies that we place on your computer after your permission.

### **What are cookies?**

Cookies are small text or data files that are stored on your computer or mobile device (such as a smartphone or tablet) when you visit our Site. The stored information can be sent back to our servers on a subsequent visit.

### **What do we use cookies for?**

We use cookies to make visiting our Site easier by remembering your preferences while navigating and allowing you to be recognized each time you visit our website. This makes the website more pleasant to use, so that your user experience can be improved. Cookies can also be used to speed up future experiences and activities on our Site.

We also use cookies to collect anonymous statistics that allow us to assess how visitors use our Site and help us improve, for example, the content and structure of our Site. We cannot personally identify you based on this information.

FEQUARTZ.NL uses the following cookies:

#### *First party cookies:*

- Google Analytics (analytical cookies)
- Functional and technical cookies (session and permanent cookies)
- Other: Cookie control cookies

#### *Third-party cookies ('third-party cookies'), including:*

- Advertisement Programs
- Social Media

## **1. First Party Cookies**

### **1.1 Google Analytics & Wix Analytics (analytical cookies)**

Our website places a cookie from Google and/or WIX (our web host/provider), as part of the “Analytics” service. This way we can receive reports on how visitors use our website. The collected information is anonymized as much as possible. Your IP address is emphatically not given. The information is transferred to and stored by Google on servers in the United States, where they must comply with the so-called Privacy Shield Program, which means that there is an adequate level of protection for the processing of any personal data.

Google and WIX may provide this information to third parties if required to do so by law or to the extent that third parties process the information on their behalf. We have no influence on this.

We have not allowed Google to use the Analytics information obtained for other Google services.

## **1.2 Functional and technical cookies (necessary cookies)**

Technical cookies are necessary for the FEQUARTZ.NL website to function properly, so that you can navigate properly on our website. They can remember your preferences and increase the user-friendliness.

### **1.2.1 Use of session cookies**

Session cookies allow us to store status data and preferences during a particular session. We can see which parts of our website you have viewed with this visit. We can adjust a few things to your surfing behavior and increase the ease of use of our website during the session. Think of staying logged in during a session or saving your searches. These cookies are automatically deleted as soon as you close your web browser. All in all, we use this for proper functionality of FEQUARTZ.NL.

### **1.2.2 Use of permanent cookies**

Using a permanent cookie we can recognize you when you visit our website again. The website can therefore be set to your preferences, for example. Even if you have given permission for the placement of cookies, we can remember this by means of a cookie (for example a cookie tool). As a result, you do not have to repeat your preferences every time, which saves you time and allows you to use our website more pleasantly. You can delete permanent cookies via the settings of your browser.

### **1.2.3 Other: cookie control cookies**

These cookies are placed to remember your preferences with regard to cookies. These are therefore necessary to know whether or not you consent to the storage of the following cookies on your equipment:

- Google Analytics/WIX Analytics (statistics)
- Cookies from advertising programs
- Social Media cookies

## **2. Third Party Cookies (third-party cookies)**

### **2.1 Tracking cookies to promote advertisements better match your preferences**

With your permission, other parties (third parties) can place so-called tracking cookies on your devices to better tailor advertisements to your preferences. With these cookies they can keep track of which pages you visit, in order to build a profile of your online surfing behavior and serve to tailor advertisements to your profile, so that they can be as relevant as possible to you.

## 2.2 Social Media

Buttons are included on our website to promote ("like") web pages or share them on social networks such as Facebook, Instagram or Pinterest. These buttons work by means of pieces of code that come from the social media itself. Cookies are placed through this code. We have no influence on this and recommend that you regularly read the privacy statement of this 'Social Media' - due to changes - to inform yourself how they process these cookies with regard to you.

### **How can you manage your cookies?**

If you do not want websites to place cookies on your device/equipment, you can adjust your browser settings so that you receive a warning before cookies are placed. You can also adjust the settings so that your browser refuses all cookies (or only the cookies from third parties). You can also delete cookies that have already been placed. Please note that you will have to adjust the settings separately for each browser and each of your devices! More information about switching on and off and removing cookies can be found in the instructions and/or by using the Help function of your browser.

#### *Refusing specific cookies:*

If you refuse (certain) cookies, you may not be able to make full use of the functionalities of our website.

### **Changes**

Because our website or rules regarding cookie policy may change, we may change the content of our statements and our cookie policy at any time and without prior notice. We advise you to read our cookie policy regularly, if you find it important.
